Presents
The Raymond V. Haysbert, Sr.
Entrepreneurship Lecture Series

"Recognizing When Opportunity Knocks"

Entrepreneurship can be an exciting and perilous endeavor. Successfully achieving your vision depends on how you navigate that journey, including acting when opportunity knocks. The discussion will focus on the following topics through the continuing story of Aurora.

- Is it the right time to start a company?
- Decisions, decisions, decisions: How inaction can paralyze your business
- "You can't see the forest for the trees", losing sight of your vision
- Is it time to change course?

"When one door closes, another door opens; but we so often look so long and so regretfully upon the closed door, that we do not see the ones which open for us." — Alexander Graham Bell

October 2, 2025
12-1pm
University Center 310

The Raymond V. Haysbert, Sr. Entrepreneurship Lecture Series provides a platform for successful entrepreneurs to candidly share their experiences and insights with UMBC students, faculty, alumni and the Baltimore business community. The series highlights experiences, lessons learned and unique issues and challenges faced by entrepreneurs in the creation of a new enterprise.
